QUESTIONS FOR TOPIC-BASED SPEED ROUND TABLE DISCUSSIONS

Activity Overview: Participants will select a topic table and answer the questions listed below for that topic. Each table will be facilitated by a project team member and input will be documented. After 10 minutes, participants will be asked to move to another topic table and repeat at each topic table.

Transportation & Mobility Table:

1. Should there be better pedestrian connections from neighborhoods to commercial nodes? Where and how?
2. What areas of Town could be better serviced by public transportation?
3. How can traffic along Route 9 be improved? Route 236? Route 146?

Economic Growth Table:

1. What type of economic development would you like to see? Retail, commercial, etc.?
2. If economic growth occurs, where should that growth be focused?
3. How should the Town foster local business growth and entrepreneurship?

Neighborhoods & Housing Table:

1. What challenges exist related to housing? (Supply? Quality? Type? Cost? Location?)
2. What types of housing should be prioritized? (Rental apartments, multi-family, single-family, senior housing, etc.)
3. Where should new residential development be concentrated?

Recreation & Open Space/Natural Resources Table:

1. Should open spaces, agricultural lands or natural areas in the Town be conserved? Where?
2. What recreational opportunities/facilities are missing?
3. Should the Town focus on developing new recreational facilities, focus on improving/expanding existing recreational facilities, partnering with others, or a combination?
